1<sup>st</sup> November 2025

Dear Parent/Guardians,

Delacombe Primary School is looking forward to another great year of teaching and learning and would like to advise you of requested contributions for 2026.

#### What to do:

**1. REQUESTED CONTRIBUTIONS:**

Identify your child's Curriculum Contributions on the following page.

**2. OTHER CONTRIBUTIONS:**

Nominate an amount to support school welfare programs and ongoing maintenance.

**3. TOTAL THE COST AND PAY:**

Payment can be made via QKR or by contacting the office.

**4. FAMILY CREDITS OR PAYMENT PLAN OPTIONS:**

If you have an existing payment plan using Centerpay, Bpay or have family credit, and would not like to contribute to 2026 Contributions please complete details on the following page and return to the office.

Over the past 2 years, we experienced a significant decrease in parent contributions which has resulted in changes to the way we have organised student resources and programs for coming years.

- All student resources are ordered in bulk and shared in the classroom.
- The Kitchen and Garden program has been modified.
- The Art program has been modified.

These are all signature aspects of Delacombe Primary School and we hope they can continue to run to full capacity in 2026.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families and their voluntary contributions are vital to ensure that our school can offer the best possible education and support for our students. We want to thank those families who generously contributed payments in 2025 and for those families who supported the school through fundraising or volunteering their time. This has made a huge difference to our school and the programs we can offer.

The environment and resources that we enjoy today represent the contributions made by our parent/carer community over many years. Parent/Carers voluntary contributions make a significant difference to the quality of our programs. This financial support ensures that we can continue to provide the excellent range of facilities and resources for your children. Your support in 2025 allowed us to:

- Implement the Kitchen and Garden program which are valued by all.
- Provide writing books and stationery for your child in the classroom.
- Provide specific subject materials and equipment for: English, Mathematics, Science, Art, Music, Humanities, Language/Asian Studies and PE.
- Provide every student from Grade 3-6 with a Chromebook device to use in the classroom.

All student stationery resources will be supplied by the school and will be in their classrooms at the beginning of 2026.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Scott Phillips
