

2025 SWGA Men's Golf Forum

TUESDAY 29th JULY 2025 - 7pm – 8pm

AT BARWON VALLEY GOLF CLUB

61 Barwon Heads Rd, Belmont VIC 3216

As a male member of an SWGA affiliated golf club, a Club Captain or a Men's Delegate the Operations Team are keen to explain how golf is administered in the SWGA and importantly give you the opportunity to offer ideas & alternatives to the current operational models to better support future golf events including Pennant.

The night will tee off with the introduction of SWGA Operations Team, followed by:

- An explanation of how SWGA events and Pennant are scheduled & organised and administered.
- The results collected from the recent survey on the Men's Championships and Mens Events.
- And importantly the opportunity to ask questions, offer ideas & alternatives to current operation models which would better support future golf events including pennant.

We please ask that your Club members consider the above in preparation for this forum.

RSVP with any known representatives by the 20th July to:

Georgie Sanders.
