

IMPROVE YOUR MATHS: EVERYDAY MATHS FOR LIFE AND WORK

Need to improve or refresh your basic maths skills for work, study or everyday life?

This course will cover basic maths concepts such as add, subtract, divide, multiple and basic formulas, working out percentages and discounts, weight, distance and area, problem-solving as they apply to real life needs such as measuring, money, cooking and work.

Maybe you need help to pass the numeracy test to get into further study, this will prepare you.

Small classes and a supportive trainer make this course fun and learning easy.

Course Cost:

\$25

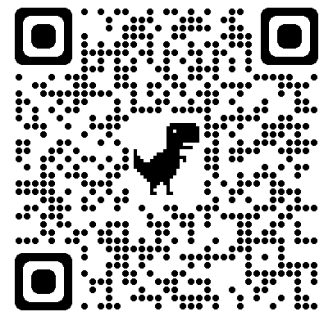

Conc: Free
