

GET INVOLVED AND VOLUNTEER

Looking for something to do in your spare time?
Have you thought about volunteering?

These short sessions will help you learn about and prepare you for volunteering here at the Wendouree Neighbourhood Centre.

If you find a volunteer role that you would enjoy, the last of these sessions will tick off your induction and you will be ready to get started and **make a difference** in the community!

We have many varied volunteering roles from helping in our Community Kitchen, Reception or the Community Shed, assisting learners with reading to delivering our community newsletter. Some are regular roles and others can be helping with a one off event.
